THE FIGHT IS RENEWED

Question of State or National Control
Renewed in the National Ir-
rigation Congress.

(Herald Special.)
Pueblo, Colo., Sept. 26.—When the
National Irrigation Congress opened
this afternoon the delegates were pre-
pared to renew the same fight be-
tween the advocates of federal and
state control of the national resources
that rent the St. Paul conservation
congress. It is expected that resolu-
tions will disprove the government's
plans to complete the Elephant Butte
or Engle dam in New Mexico at a
cost of nine million dollars. Dele-
gates are present from Austria, Ger-
many, India, Canada, Australia, Rus-
sia, Cuba, Mexico, and other coun-
tries. San Francisco appears to be
the favorite for the next congress.

Officer Shot Negro.
Cameron, Texas, Sept. 25.—City
Marshal Tom Parker shot and killed
Frank Washington, colored, here last
night. Washington assaulted Parker,
throwing two large rocks at him, after
Parker had ordered him to surrender.

SUSPICIOUS OF JOLIET

LEE BROWNE OF THE JACKPOT
CHARGE SAID TO HAVE CAU-
TIONED SECRECY FROM REP-
RESENTATIVE WHITE.

(Herald Special.)
Chicago, Sept. 26.—Representative
Charles White, the first man who
confessed to the alleged bribery in
connection with the election of United
States Senator Lorimer, was the first
witness called today by the senatorial
committee. Senator Bulkeley of Con-
necticut arrived today, making pres-
ent four republican and two demo-
cratic members of the investigation
committee. Senator Frazier, demo-
crat, is expected to arrive tonight.
The first jackpot evidence was ad-
mitted when White told of Browne's
offer and his inquiry as to how much
he would get out of the deal. Browne
is said to have replied: "Can't you
trust me, old boy; you will get \$1000
in cash, but keep quiet, for I am sus-
picious of Joliet."

Killed By a Train.

Marlin, Texas, Sept. 25.—About
12:30 last night H. H. Schrader met
death on the International railroad
within the city limits. He had start-
ed from town to his home on the out-
skirts of the city when run over and
killed by the passenger train that ar-
rives in Marlin at that hour. His
body was dragged the length of fif-
teen rails and mutilated beyond recog-
nition. The engineer stated that he
saw the body while the train was
right upon it, but not soon enough to
stop. There is a decided curve in
the road where the body was struck.
Deceased is reported by the engineer
of the train to have been lying on
the railroad track when struck, and
the circumstances corroborate the
statement of the engineer. Deceased
was 53 years of age. He leaves a
wife and nine children.

HASKELL IS OVERRULED

JUDGE MARSHALL REFUSES RE-
QUEST TO FILE DEMURRER IN
MUSKOGEE TOWN LOT INDICT-
MENTS—TRIAL TO PROCEED.

(Herald Special.)
McAlester, Okla., Sept. 26.—The so-
called Muskogee town lot cases, in
which Governor Charles N. Haskell of
Oklahoma is included among the de-
fendants, were called for trial in the
federal court here today. Judge Mar-
shall of Utah presiding. The charge
against the defendants is conspiracy
to defraud the government in connec-
tion with the scheduling of town lots
in Muskogee. With the exception of
Governor Haskell all the defendants
are said to be ready for trial. The
governor, it is understood, desires a
delay in the proceedings until after
election.

Orders Trial to Proceed.

(Herald Special.)
McAlester, Okla., Sept. 26.—Judge
Marshall overruled Governor Has-
kell's motion to refile a demurrer to
the Muskogee town lot indictments,
and ordered the trial to proceed. The
court's action is based on the ground
that objection can be raised when the
proof is attempted. The impaneling
of a jury has begun.

Lake Charles Tragedy.

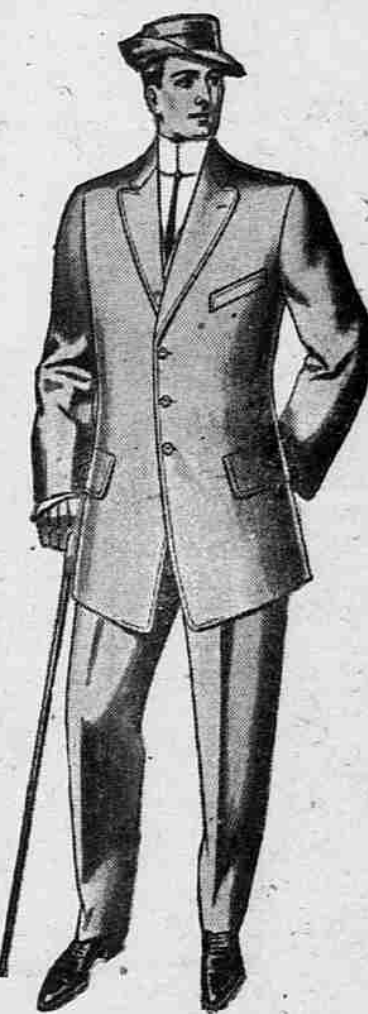

Lake Charles, La., Sept. 25.—Dr.
Temple Smith, president of the local

in club work and socially. There
were no witnesses to the tragedy.
Mrs. Smith, who is under arrest at
the home of Deputy Sheriff Perkins,
